

Ventura County Fire Department Headquarters
Regional Training Center (RTC)
165 Durley Ave.
Camarillo CA.93010

Map to:

Community Education & Training Rooms

Exit Las Posas Road from the Ventura Fwy. In Camarillo, and turn left to travel south on Las Posas Road (over the fwy). Turn right (west) on Pleasant Valley Rd. Turn right on Airport Way, at the light and travel (north) to the end of the street. Then turn right on Durley Ave. Durley will curve around and go past the Ventura County Fire Department Head Quarters - turn right and continue to the end of that street, and then turn left through a gate. Turn right on Main Street. The building on the left will say "VCFD Training" and across from that building are the classrooms.
