CITY OF SIMI VALLEY – SUMMARY OF SERVICE CHARGES

DEPARTMENT OF ENVIRONMENTAL SERVICES – HOUSING FEES: **OTHER HOUSING SERVICE CHARGES**

The City/Community Development Agency offers a variety of loan programs (i.e., Home Rehabilitation and First Time Homebuyer Programs) to assist individuals and families in obtaining safe and affordable housing. To encourage individuals to apply for these loans, loan processing time at staff hourly billing rates is not charged but is absorbed by the CDA Housing Administration Fund or offset by the Community Development Block Grant (CDBG) Fund, depending on the loan funding source.

To qualify individuals for these affordable housing loan programs, the City/Community Development Agency incurs certain direct costs to obtain credit and title reports. These direct costs are paid with a grant from the primary funding source as required by at least one program (HOME). To encourage participant interest in the City's/ housing loan programs, staff recommends continuation of the policy of not charging applicants for the direct costs of obtaining reports needed for loan qualification or the staff loan processing costs.
