**The Benefits of Registering Your Bicycle:**
- Found registered bicycles are returned to their owners
- Protects your investment
- Helps prevent your bicycle from not ending up at a public auction
- Having all your important bicycle information in one place, when needed
- Assists in identifying the bicycle owner in the event of an accident. Bicyclists and children rarely have identification on them

**SVPD Bicycle Statistics on Average Per Year:**
- 90 reported bicycle thefts
- 7 reported stolen bicycles returned to owners
- 50 found bicycles
- 5 bicycles were returned to their owners
Increase the chances of getting your bicycle returned by registering with the Simi Valley Police Department

**Keep Your Bicycle Safe:**
- Don’t leave your bicycle outside unlocked or unattended
- Lock your bicycle to a fixed object through both wheels and the frame
- Take a photo of your bicycle and keep your bicycle registration with your records
