The America's Job Center of California (AJCC) network offers businesses convenient access to workforce development services. Staff work one-on-one with employers to help plan ways to build and train your workforce or refer you to no-cost/low-cost consulting services.

For more employer services information visit www.VCHSA.org/AJCC, call (805) 204-5186 or email hsa-employment-srvcs-info@ventura.org.

The Workforce Development Board administers federal funds that help to support AJCC and other job seeker, youth, and employer programs and services in Ventura County.

Consider On-The-Job Training When You Are Ready to Hire

On-The-Job Training (OJT) can make hiring a new employee more affordable. OJT reimburses up to 50 percent of a trainee's gross wages during the training period.

Employees Earn and Learn

The OJT program offers an opportunity for employers to hire and train individuals with the necessary skills they need to succeed. OJT is an 'earn as you learn' training method that is planned, organized and conducted by you at your workplace.

A program supported by the federal Workforce Innovation and Opportunity Act (WIOA), OJT make funds available that allow employers to use their systems to help employees acquire the new skills necessary for permanent employment with their companies.

Benefits to Your Employees:

- Skills attainment
- Earn as they learn
- Job coaching
- Regular employment
- Full-time employment

Benefits to Employers:

- Free screening, assessment and applicant referral
- You decide who to hire
- You determine job performance standards
- Partial wage reimbursement during the training period
- Customized training, your way
- Simple process, minimal paperwork
- OJT programs can be developed for most skilled and semi-skilled jobs
- On-going support and assistance
