2020 CENSUS: WHAT YOU NEED TO KNOW

The 2020 Census is closer than you think!

Here's a quick refresher of what it is and why it's essential that everyone is counted.

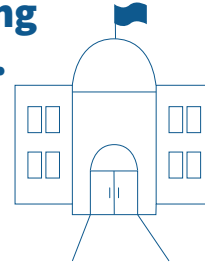

It means \$675 billion.

Census data determine how more than \$675 billion are spent, supporting your state, county and community's vital programs.

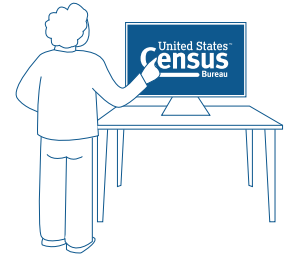

Census data are being used all around you.

Residents use the census to support community initiatives involving legislation, quality-of-life and consumer advocacy.

2020 will be easier than ever.

In 2020, starting April 1, you will be able to respond to the census online.

Your data are confidential.

Federal law protects your census responses. Your answers can only be used to produce statistics. By law we cannot share your information with immigration enforcement agencies, law enforcement agencies, or allow it to be used to determine your eligibility for government benefits.

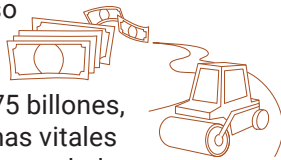

CENSO 2020: LO QUE USTED NECESITA SABER

¡El Censo de 2020 está más cerca de lo que usted cree!

Le recordamos rápidamente qué es y por qué es esencial que se cuente a todo el mundo.

Significa \$675 billones.

Los datos del censo determinan la forma en que se gastan más de \$675 billones, apoyando programas vitales de su estado, de su condado y de su comunidad.

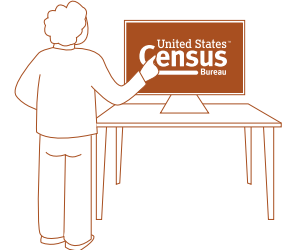

Los datos del censo se están utilizando por todas partes alrededor de usted.

Los residentes usan el censo para apoyar iniciativas comunitarias relacionadas con legislación, calidad de vida y defensa de los consumidores.

2020 será más fácil que nunca.
