November 3, 2020 Presidential General Election

Vote by mail, in person, or via ballot drop box.

Why should I Vote By Mail?

Voting by mail will minimize contact with others which protects your health.

How does Vote By Mail work?

Your ballot will be mailed on October 5, 2020. Mark your ballot, then place it in the postage-paid return envelope. Sign the envelope and mail it back. It's that simple!
