

WASTE HAULING FACT SHEET

On February 24, 2025, the City of Simi Valley approved Ordinance No. 1362, allowing for enforcement against unauthorized waste haulers, as well as clarifying self hauling requirements.

UNAUTHORIZED HAULER ENFORCEMENT ONLY FRANCHISED WASTE HAULERS MAY OPERATE IN THE CITY OF SIMI VALLEY

**UNAUTHORIZED ROLL-OFFS AND DUMPSTERS ARE SUBJECT TO IMPOUNDMENT
AFTER 24 HOURS NOTICE**

**Waste Management (WM) is the only approved franchised
hauler for the City of Simi Valley.**

Self Hauling: Licensed primary contractors may transport demolition or construction debris only when the material is generated by their own business, at their place of business, or when employed under contract by the owner of a lot or parcel, from that lot or parcel for demolition or construction services. If the contractor subcontracts the transportation of demolition or construction debris, such transportation must be provided by a franchised collector.

For additional information, please contact the City of Simi Valley Environmental Division at (805) 583-6420 or environmentalcompliance@simivalley.org. Find more information on the web at: www.simivalley.org/departments/public-works/environmental-compliance/solid-waste-services

In the event a container is impounded, the contents of the container will be discarded at the cost of the owner of the container. To retrieve the container, the hauler must contact Waste Management at (805) 522-9400. The hauler must pay the \$900 impound fee.
